

Dear [REDACTED]

On 30 June 2019 you emailed the Ministry of Social Development (the Ministry) requesting, under the Official Information Act 1982, the following information:

- *The names of all Emergency Housing Special Needs Grant suppliers in the Auckland region.*
- *The number of Emergency Housing Special Needs Grants provided (per supplier) between 1 July 2018 and 30 June 2019 in the Auckland region.*
- *The amount of granted Emergency Housing Special Needs Grants in the Auckland region (per supplier) between 1 July 2018 and 30 June 2019.*

The Emergency Housing Special Needs Grant (EH SNG) funds temporary accommodation at places such as hotels, hostels and motels. This grant is paid to help meet the cost of short-term accommodation where no transitional housing is available. We acknowledge that such temporary accommodation is not a long-term solution, particularly for vulnerable people with complex needs, but they provide a short-term solution while more sustainable options are progressed. It is important that those who would otherwise be homeless have somewhere warm and dry to stay.

The Ministry pays EH SNGs directly to the accommodation supplier. This grant is available to people who cannot remain in their usual place of residence, if any, and do not have access to other accommodation which is adequate for them or their family's needs. Assistance is generally granted for up to seven nights but can be extended dependent on an individual's circumstances. In most cases, this does not need to be paid back, though this will depend on a household's situation.

Affordable accommodation in New Zealand is in limited supply, including short-term accommodation. To address this shortage, the Government has invested significantly in creating more housing, overseen by the Ministry of Housing and Urban Development. An extra 6,400 public housing places will be delivered by June 2022. In the 2018/19 financial year, Housing and Urban Development has delivered on 2,178 public houses and there's a future pipeline of more than 2,700. This year's Budget provided \$283 million to fund and maintain over 2,800 Transitional Housing places throughout New Zealand, along with another \$197 million to expand and strengthen Housing First to high demand areas.

More information about EH SNGs is available here: [www.housing.msdc.govt.nz/housing-options/emergency-housing.html](http://www.housing.msdc.govt.nz/housing-options/emergency-housing.html).

Please find enclosed Table One. This table lists the names of Emergency Housing suppliers in the Auckland region. Furthermore, this table shows the number of distinct clients that received EH SNGs from each supplier, the number of EH SNGs received by each Emergency Housing supplier and the total amount granted to each supplier. These statistics are provided for the time period of 1 July 2018 to 30 June 2019. It is worth noting that some of these suppliers, such as Auckland Astro Residences Limited, no longer provide Emergency Housing assistance. The supplier name is the name of the company or individuals that own or provide the accommodation, and not necessarily the name of the accommodation.

As the release of this information can be used to identify clients' past and present addresses, in order to protect client privacy, some values are suppressed and are represented by 'S'. The Ministry is unable to provide you with the exact number as releasing this information is likely to risk identifying the individuals concerned. As such, this information is withheld under section 9(2)(a) of the Act. The need to protect the privacy of these individuals outweighs and public interest in the information.

You will also note that the names of some organisations providing Emergency Housing are withheld under section 9(2)(a) of the Act, as the organisation contains the names of natural persons. The need to protect the privacy of these individuals outweighs any public interest in this information.

The principles and purposes of the Official Information Act 1982 under which you made your request are:

- to create greater openness and transparency about the plans, work and activities of the Government,
- to increase the ability of the public to participate in the making and administration of our laws and policies and
- to lead to greater accountability in the conduct of public affairs.

This Ministry fully supports those principles and purposes. The Ministry therefore intends to make the information contained in this letter available to the wider public shortly. The Ministry will do this by publishing this letter on the Ministry of Social Development's website. Your personal details will be deleted and the Ministry will not publish any information that would identify you as the person who requested the information.

If you wish to discuss this response regarding Emergency Housing with us, please feel free to contact [OIA\\_Requests@msd.govt.nz](mailto:OIA_Requests@msd.govt.nz).

If you are not satisfied with this response, you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or 0800 802 602.

Yours sincerely

PP

#### Notes for Table One:

- The names of certain Emergency Housing suppliers may differ from how they are advertised due to certain suppliers being registered under the name of the company or owners.
- Some Emergency Housing suppliers have a range of identifiers, resulting in their statistics being reported in 'parts'.
- Some hotels may be counted under more than one supplier.
- Under certain circumstances, Work and Income will pay the Emergency Housing costs directly to the client's bank account. Such cases are not included in Table One.
- The total number of grants do not necessarily equal the number of distinct clients that have received Emergency Housing. Clients can receive more than one Special Needs Grant for Emergency Housing. Furthermore, the total amount granted to an Emergency Housing supplier does not necessarily equal the amount spent. This could be due to a range of reasons leading clients to leave the accommodation early or avoid staying in Emergency Housing. If this happens, the accommodation supplier may have granted a refund.
- This data only includes grants that were granted to these providers through the Auckland Metro Work and Income region. These providers may have had additional grants that were granted to them via Work & Income offices outside of the Auckland Metro region, which are not included in this data.
