Kia ora

Thanks for this the paper accurately reflects the outcomes of the engagement/workshops ODI was involved in with stakeholders including disable people.

In the appendix 3 Communications and engagement plan I would suggest the following highlighted change to more accurately reflect the relationship between ODI and MSD. MSD provides the administration support for ODI.

Thanks for all the good work on this.

External impacted Government agencies or groups	Department of Prime Minister and Cabinet Ministry of Business, Innovation and Employment Ministry of Education Ministry of Social Development Office for Disability Issues Ministry of Transport WorkSafe New Zealand New Zealand Police Office of the Privacy Commissioner Ministry of Justice Parliamentary Counsel Office Crown Law
