On 4 May 2022, you emailed the Ministry of Social Development (the Ministry) requesting, under the Official Information Act 1982 (the Act), the following information regarding Emergency Housing Special Needs Grants (EH SNG):

- *Updated to March 2022 or the most recent quarter available.*

EH SNG are available to people who cannot remain in their usual place of residence, if any, and do not have access to other accommodation which is adequate for them or their family's needs. The Ministry pays EH SNGs directly to the accommodation supplier and assistance is generally granted for up to seven nights but can be extended dependant on individual circumstances.

After these seven nights, Work and Income arrange another appointment with the client to discuss their housing situation and if another grant is required. The Ministry works hard to support people in emergency housing to secure a long-term housing solution, either through public housing or private rental accommodation. Other options including transitional housing can also be explored as an option depending on availability and the individual's circumstances.

The Ministry recognises that motels are not a long-term solution or the solution that we want to deliver for people who are potentially in a vulnerable situation. They provide a short-term solution while more sustainable options are progressed. More information about EH SNGs is available at the following link: www.workandincome.govt.nz/housing/nowhere-to-stay/emergency-housing.html.

Please see **Table One**, within the attached Excel spreadsheet, which outlines the list of suppliers with the total amount of EH SNGs granted for Emergency Housing from March 2021 to March 2022, broken down by supplier name and quarter.

You will note that the registered supplier name is the name of the parent company of the accommodation supplier, and not necessarily the name of the accommodation itself. One registered supplier may provide accommodation across multiple premises in different locations or trading names, receiving payment through the single supplier record.

You will also note that some suppliers may be listed due to a coding error when a client receives multiple assistance payments at one point in time, for example for petrol or groceries.

The principles and purposes of the Official Information Act 1982 under which you made your request are:

- to create greater openness and transparency about the plans, work and activities of the Government,
- to increase the ability of the public to participate in the making and administration of our laws and policies and
- to lead to greater accountability in the conduct of public affairs.

This Ministry fully supports those principles and purposes. The Ministry therefore intends to make the information contained in this letter and any attached documents available to the wider public. The Ministry will do this by publishing this letter and attachments on the Ministry's website. Your personal details will be deleted, and the Ministry will not publish any information that would identify you as the person who requested the information.

If you wish to discuss this response with us, please feel free to contact OIA_Requests@msd.govt.nz.

If you are not satisfied with this response regarding Emergency Housing Special Needs Grants figures, you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz or 0800 802 602.
