5 Clause 14A replaced (People in need of Emergency Housing)

Delete clause 14A and replace with:

14A People in need of Emergency Housing

14A.1 Subject to clause 14B.1, MSD may make an emergency housing grant to an applicant if MSD considers that the applicant has an immediate emergency housing need, and that not providing the emergency housing grant would—

- (a) worsen the applicant's position; or
- (b) increase or create any risk to the life or welfare of the applicant or the applicant's immediate family; or
- (c) cause serious hardship to the applicant or the applicant's immediate family.

14A.2 In this clause, an applicant has an **immediate emergency housing need** if, on the date on which the

application is made or during some or all of the following 7-night period, the applicant—

- (a) cannot remain in their usual place of residence (if any); and
- (b) will not have access to other accommodation that, in the opinion of MSD, is adequate to meet the needs of the applicant and the applicant's immediate family.

14A.3 Despite clauses 7.1 and 8.1, MSD may make an emergency housing grant to an applicant whose income or cash assets exceed the appropriate limit set out in those clauses if MSD considers that the applicant is in exceptional circumstances.

14A.4 Despite clause 9.1, MSD may make more than one emergency housing grant to an applicant within a 52 Week period.

14A.5 Period of grant

- (1) An emergency housing grant must be for no more than 7 nights of Emergency Housing, unless MSD determines that the criteria under subclauses 14A.5(2) or 14A.5(3) are met.
- (2) Subject to clause 14A.1, MSD may grant the applicant an emergency housing grant for up to 14 nights if MSD determines that the period which the emergency housing grant is for is a period of low availability of Emergency Housing in the region.
- (3) Subject to clause 14A.1, MSD may grant the applicant an emergency housing grant for up to 21 nights if MSD determines that—
 - (a) the applicant has previously received an emergency housing grant or grants for at least 7 nights, in total, for the same emergency housing event; and
 - (b) the applicant, where applicable, is engaging with an intensive support service that is approved by MSD; and
 - (c) the applicant—
 - (i) is making a reasonable effort in the circumstances to access other sources of housing assistance; and
 - (ii) has not unreasonably contributed to the existence of the immediate emergency housing need; and
 - (d) an emergency housing grant of up to 21 nights is appropriate in the applicant's circumstances.

14A.6 The amount of an emergency housing grant must not exceed the actual and reasonable costs of the

Emergency Housing, including the amount of any security deposit required by the provider of the Emergency Housing, whether or not that amount exceeds the limits in clause 9.4.

14A.7 In this clause, **security deposit** means any sum of money which —

- (a) is required by the provider of the Emergency Housing as security against any loss arising from damage or a failure by the applicant to observe and perform the applicant's obligations under the agreement for the provision of the Emergency Housing; and
- (b) is recoverable from the applicant to the amount of the loss or the amount of the security deposit, whichever is lower.

14A.8 Recovery of emergency housing grant

- (1) The whole of an emergency housing grant is recoverable less any emergency housing contribution payable by the applicant in respect of that emergency housing grant, if —
 - (a) MSD considers that the applicant has failed to make a reasonable effort in the circumstances to access other sources of housing assistance; or
 - (b) MSD considers that the applicant has unreasonably contributed to the existence of the immediate emergency housing need; or
 - (c) MSD has been unable to recover from the applicant an emergency housing contribution for a previous emergency housing grant.
- (2) If clause 14A.8(1) does not apply, an amount equivalent to the emergency housing grant is recoverable to the extent that it is not used by the applicant for the purpose or for the period for which the emergency housing grant was made.
- (3) In determining the amount recoverable under clause 14A.8(2), MSD must have regard to any amount of the emergency housing grant refunded to the applicant by the provider of the Emergency Housing.
- (4) Where an emergency housing grant includes an amount for a security deposit (a **security deposit grant**), the security deposit grant is recoverable.

14B.2 In considering an application under clause 5, MSD may also consider whether to make an emergency housing grant to the applicant and their spouse or partner (if any), for any period for which an emergency housing contribution is required, if in accordance with this clause and clause 14C,—

- (a) the applicant has refused to make an emergency housing contribution relating to that emergency housing grant; or

 - (a) it has already been paid by the applicant; or
 - (b) clauses 14B.4(2) or 14B.4(3) apply.
- (2) Despite clause 14B.4(1), any unpaid amount of an emergency housing contribution may be recovered from the applicant in accordance with the Ministerial Direction on Debt Recovery if—

 - (b) the unpaid amount relates to an emergency housing grant or grants for an earlier period, where the emergency housing contribution has not been paid in full by the next available date; and
 - (c) the applicant is required to make another emergency housing contribution which—

- (i) relates to their latest emergency housing grant; and

6 New Clause 14C inserted (Calculating emergency housing contribution)

After new clause 14B.5, insert:

14C Calculating emergency housing contribution

14C.4 For the purposes of this clause, **family tax credit** has the same meaning as under subparts MA to MF and MZ of the Income Tax Act 2007, and is calculated as the lesser of—

- (a) the total of the amounts that the applicant and their spouse or partner (if any) are eligible to receive as family tax credit under those subparts; or

- (b) the maximum rate of family tax credit payable under those subparts in respect of an eldest dependent child.
