Changes to the Job Support Fund and Training Support Fund

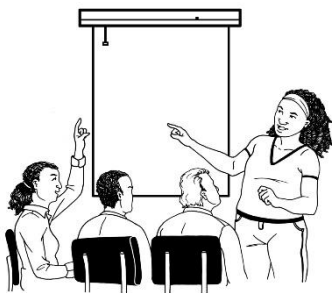

August 2022

There are some changes coming to who looks after the:

- **Job Support Fund**
- **Training Support Fund.**

The **Job Support Fund** and the **Training Support Fund** are funds that can support disabled people:

- with training for work
- in finding work
- in having a job.

Funding in this document means money that is given by the government.

At the moment Workbridge looks after the Job Support Fund and Training Support Fund.

The Ministry of Social Development and Workbridge have both agreed to the following changes:

1. The Ministry of Social Development will look after the Job Support Fund and Training Support Fund

2. This change will happen in the **first quarter of 2023.**

The **first quarter of 2023** is 1 January 2023 to 31 March 2023.

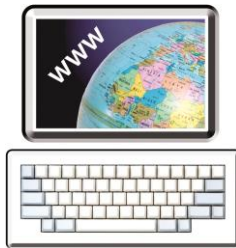

The Ministry of Social Development and Workbridge will work together to make sure these changes happen without any problems.

The Ministry of Social Development will use the Job Support Fund and Training Support Fund to keep supporting disabled people with jobs and training costs.
