[SEEMAIL][SENSITIVE]

Kia ora both,

A quick update from us on Budget Night legislation from our Budget team:

Budget Night Legislation

- The Leader of the House's Office will be managing the Budget night legislation process this year and do not require the Treasury to pull together a list of initiatives. Hon Bishop has sent a letter to each Minister to collect the information required to determine which Bills are suitable for inclusion in Budget night legislation.
- In case you have any initiatives, which need to be put through this process – please get in touch with your respective Ministers' Office and they can advise you on the associated information required.

Thanks
Callum

IN-CONFIDENCE

Hi Callum

Just clarified things with the Ministers office. Correction from this morning. We are still trying to aim for Budget Night but noting of course there will be a lot of bids and there is a process to have approved. Etc. the email we got was very unclear. So we will carry on with that in mind on the leg and see where we get to.

Kind regards

Justine
