

<p><b>What are the risks and how can they be mitigated?</b></p>	<p>Inequity risk. Mitigated by time-limited exemption.</p>	<p>Unsure of when donations will be dispersed and unclear where donations are specifically going (e.g. to individuals, communities?).  Mitigation: TBC</p>	<p>Unsure of timing and how long this process will take.  Mitigated by having a longer time-limit on this payment (i.e. 24 or 48 months as we did for Christchurch).</p>
