

**MINISTRY OF SOCIAL
DEVELOPMENT**

TE MANATŪ WHAKAHIATO ORA

19 AUG 2016

On 1 July 2016, we received your email to the Ministry requesting, under the Official Information Act 1982, the following information:

1. A list of all performance indicators, with key performance indicators marked, for each different role within Work and Income including, but not limited to,

- (a) Case Managers - separated by the different case manager roles (i.e. those working with clients with disabilities, Youth Service, etc.)*
- (b) Call Centre Workers - again separated by the different roles within that*
- (c) Service Centre Managers*
- (d) Assistant Service Centre Managers*
- (e) Trainers*

2. For each of the performance indicators, for each of the roles;

- (a) The targets set in place*
- (b) Any minimum targets*
- (c) The average for each role*
- (d) The maximum achieved*

The Ministry values strong staff performance, as this enables us to deliver on expected outcomes, make sure the expectations of our key stakeholders are met, and lead social development in New Zealand.

The Performance Development and Assessment (PDA) system has been developed to support clear, supportive and constructive communication between managers and staff about performance expectations, standards, and ongoing training and development.

The PDA system:

- shows people how their role supports the Ministry's vision and outcomes
- values and recognises people's contribution
- encourages open communication between managers and staff
- ensures people understand what's expected of them
- encourages performance and behaviour that is in line with our values

- encourages regular feedback and coaching
- recognises strengths and focuses on training and development.

Please find enclosed seven PDA templates, containing full performance indicator details, for the following job positions:

- Case Manager, Local Services, Senior Services
- Case Manager, Housing
- Case Manager, Integrated Services
- Customer Service Representative, Contact Centre
- Training Manager, Contact Centre
- Trainer, Contact Centre
- Trainer, Service Centre

Further to the PDA for individual Contact Centre Customer Service Representatives, enclosed, the following Key Performance Indicators are set for the Contact Centre as a whole.

Call Handling Time	6:20 mins
Service Level (average speed of answer)	<100 Seconds <3% under 10 mins
Client Satisfaction	85%
Adherence	100%
Compliance	92%
Call Assessment (quality checks)	95%
Financial Actions (quality checks)	95%
Sick leave	<6%

The information outlined above and contained in the enclosed PDAs addresses question 1 of your request in full, as well as parts (a) and (b) of question 2.

In response to parts (c) and (d) of question 2 of your request, I can advise that individual performance is measured on a case-by-case basis between managers and their staff, and the Ministry does not report on "an average for each role" or "maximum achieved".

In order to provide you with this information Ministry staff would have to manually review thousands of files. As such I refuse your request under section 18(f) of the Official Information Act. The greater public interest is in the effective and efficient administration of the public service.

I hope you find this information regarding Performance Development and Assessments helpful. You have the right to seek an investigation and review of my response by the Ombudsman, whose address for contact purposes is:

The Ombudsman
Office of the Ombudsman
PO Box 10-152
WELLINGTON 6143

Yours sincerely

Overall Performance Assessment – refer to page 20 of the guidelines

Assign a final overall rating of performance. Equal weighting is usually given to the deliverables and success factors. Apply the rating that most closely matches the overall contribution.

Needs Improvement Does not achieve all key deliverables, and success factors are predominately 'Needs Development'. Action must be, or is being taken to improve performance.	Expectations Achieved Key deliverables are predominately 'Expectation Achieved' and success factors are predominately 'Competent'. A strong contributor.	Exceeding Expectations Exceeds most key deliverables and success factors are a mix of 'Competent' and 'Strength'. Contribution is viewed as very strong with some notable achievements.	Outstanding Exceeds all key deliverables and all success factors are 'Strength'. Is considered a role model in both what is achieved and success factors demonstrated.
