The Ministry of Youth Development – Te Manatū Whakahiato Taiohi – (MYD) encourages and supports young people, aged between 12 and 24 years old, to develop and use knowledge, skills and experiences to participate confidently in their communities. MYD believes that young people who benefit from the chance to develop skills such as leadership, volunteering and mentoring will go on to lead more successful lives as adults.

A key focus of MYD is to increase positive youth development opportunities available to young people through partnering with philanthropic organisations, business, iwi, government and other funders. The Partnership Fund Board (The Board) provides a platform to support the development of partnerships.

On 18 March 2020, the Cabinet Appointments and Honours Committee noted that the Minister for Youth intended to reappoint all nine current members of the Partnership Fund Board for a short term, when their previous terms expired on 30 March 2020. This involved a closed expression of interest process.

This process and the work of the Partnership Fund Board is on hold however, due to the effects of COVID-19.

Members' fees are set in accordance with the Cabinet Fees Framework. The Board is classified as a Group 4 Level 1 body and a daily fee is paid for attendance at meetings (\$589 Chair, \$394 members). Fees have not been adjusted since the members were initially appointed in 2018.

The Terms of Reference for the Board note that the Board will meet a maximum of six times per year. For the period 1 April 2019 to 31 March 2020, the Board met three times and the total fees paid to all Board members was \$17,999.

Additionally, for further information and an in-depth description of the positions on the Board, you are provided with *Ministry of Youth Development – Partnership Fund Board Position Description*. Please find this document attached.
