

Tēnā koe

On 26 July 2021, you emailed the Ministry of Social Development (the Ministry) requesting, under the Official Information Act 1982 (the Act), the following information in relation to a previous response released to you on 16 July 2021:

- *The amount granted by MSD to the lessees of the Geneva Motor Lodge for the second quarter of 2021 ending in June 2021.*

The Emergency Housing Special Needs Grant (EH SNG) is available to people who cannot remain in their usual place of residence, if any, and do not have access to other accommodation which is adequate for them or their family's needs. The Ministry pays EH SNGs directly to the accommodation supplier and assistance is generally granted for up to seven nights but can be extended dependant on individual circumstances.

The Ministry recognises that motels are not a long-term solution or the solution that we want to deliver for people who are potentially in a vulnerable situation. They provide a short-term solution while more sustainable options are progressed. More information about EH SNGs is available at the following link:

[www.workandincome.govt.nz/housing/nowhere-to-stay/emergency-housing.html](http://www.workandincome.govt.nz/housing/nowhere-to-stay/emergency-housing.html).

Please find enclosed **Table One**, which outlines the number of EH SNGs granted, the total number of distinct clients and the total amount granted to Geneva Motor Lodge, during the period 1 April 2021 to 30 June 2021.

**Table One: The number of Emergency Housing Special Needs Grants granted, the total number of distinct clients and the total amount granted to Geneva Motor Lodge, during the period 1 April 2021 to 30 June 2021.**

<b>Quarter ending</b>	<b>Amount granted</b>	<b>Number of grants</b>	<b>Distinct clients</b>
June 2021	\$174,862.30	78	24

**Notes:**

- A client can have more than one grant within a period.
- Amount granted may not be the same as the amount spent.
- To protect confidentiality, the Ministry of Social Development uses processes to make it difficult to identify an individual person or entity from published data. These data tables have had random rounding to base three applied to all cell counts in the table.
- The impact of applying random rounding is that columns and rows may not add exactly to the given column or row totals. The published counts will never differ by more than two counts.

The principles and purposes of the Official Information Act 1982 under which you made your request are:

- to create greater openness and transparency about the plans, work and activities of the Government,
- to increase the ability of the public to participate in the making and administration of our laws and policies and
- to lead to greater accountability in the conduct of public affairs.

This Ministry fully supports those principles and purposes. The Ministry therefore intends to make the information contained in this letter and any attached documents available to the wider public. The Ministry will do this by publishing this letter on the Ministry of Social Development's website. Your personal details will be deleted, and the Ministry will not publish any information that would identify you as the person who requested the information.

If you wish to discuss this response with us, please feel free to contact [OIA\\_Requests@msd.govt.nz](mailto:OIA_Requests@msd.govt.nz).

If you are not satisfied with this response, you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or 0800 802 602.
