On 22 April 2021, you emailed the Ministry of Social Development (the Ministry) requesting, under the Official Information Act 1982 (the Act), the following information:

- I request all reports, briefings, and other documents relating to any proposed or actuated reforms to the Medical Appeals Board, since Jan 2016.
- I request the number of upheld and declined appeals made to the Medical Appeals Board, broken down by benefit type, since Jan 2016.

The Medical Appeals Board (MAB) is an independent body established to ensure that correct decisions are made based on medical grounds or on grounds relating to a person's work capacity. The MAB reviews all information available to them about a client's medical condition and/or disability and their capacity to work when a client seeks a right of appeal on medical grounds under section 411 of the Social Security Act 2018.

The MAB must decide whether the appellant meets the medical criteria or work capacity criteria for the relevant benefit and considers whether the right decision was made to decline or cancel a benefit or apply work obligations.

It is not the role of the MAB to diagnose, treat or manage a client's health condition and/or disability. Rather, it is an independent body established to ensure that correct and fair decisions are made in line with legislation.

A full list of the decisions that people can appeal to the MAB is available on the Work and Income website at the following link: www.workandincome.govt.nz/map/income-support/core-policy/reviews-and-appeals/which-decisions-can-be-appealed-to-a-medical-appea.html.

In regard to the first aspect of your request, there have been no proposed or actuated reforms to the MAB process since 2016, however, the Ministry constantly monitors and looks to improve its policies and processes.

As such, this aspect of your request is refused under section 18(e) on the basis that the information you have requested does not exist.

In regard to the second aspect of your request, please find the following six tables enclosed as Appendix A showing a regional summary of appeals made to the MAB from financial year 2015/16 to 2019/21, and for the incomplete financial year of 2020/21, broken down by benefit type, status and outcome:

- Table One: Regional summary of appeals made to the Medical Appeals Board for the financial year 2015/16, broken down by benefit type, status and outcome
- Table Two: Regional summary of appeals made to the Medical Appeals Board for the financial year 2016/17, broken down by benefit type, status and outcome
- Table Three: Regional summary of appeals made to the Medical Appeals Board for the financial year 2017/18, broken down by benefit type, status and outcome
- Table Four: Regional summary of appeals made to the Medical Appeals Board for the financial year 2018/19, broken down by benefit type, status and outcome
- **Table Five:** Regional summary of appeals made to the Medical Appeals Board for the financial year 2019/20 broken down by benefit type, status and outcome
- Table Six: Regional summary of appeals made to the Medical Appeals Board for the financial year 2020/21 broken down by benefit type, status and outcome (incomplete year)

Please note, the Ministry has provided a regional breakdown of the appeals as that is how the information is centrally recorded. Table six only includes information from 1 July 2020 to 31 March 2021, as the financial year for 2020/21 is incomplete.

Furthermore, site decision, seen in the first two columns of the tables, refers to an internal review process before the appeal is progressed to the MAB in which the site who made the initial decision have the opportunity to rereview their decision. Should they uphold the initial decision, the appeal is progressed to the MAB.

The principles and purposes of the Official Information Act 1982 under which you made your request are:

- to create greater openness and transparency about the plans, work and activities of the Government,
- to increase the ability of the public to participate in the making and administration of our laws and policies and
- to lead to greater accountability in the conduct of public affairs.

This Ministry fully supports those principles and purposes. The Ministry therefore intends to make the information contained in this letter available to the wider public. The Ministry will do this by publishing this letter on the Ministry of Social Development's website. Your personal details will be deleted, and the Ministry will not publish any information that would identify you as the person who requested the information.

If you wish to discuss this response with us, please feel free to contact OIA Requests@msd.govt.nz.

If you are not satisfied with this response to your request for information regarding the Medical Appeals Board, you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at www.ombudsman.parliament.nz or 0800 802 602.
