Integrity Prepayment assessment - s9(2)(a) 09/09/2021, waiting on verification documents from employer 15/09/2021, verification received from employer of a 68% decline in revenue. Total number of employees held with IRD is 543. From the note on 8/04/2020, the hospital was to get back to us based on what was finalised on the 'Capability Funding Agreement' if there was a need to refund the wage subsidy. Question was asked on that and the reply was that the final amount received from this agreement was the adjusted amount for the receipt of the wage subsidy i.e. a top-up. If need further discussion on this then contact s9(2)(a) (the actuary who completed the submission for the funding agreement) on s9(2)(a) Approving application as criteria met	s9(2)(a)	03:06 PM 07/09/2021

Integrity Prepayment assessment - s9(2)(a) 09/09/2021, waiting on verification documents from employer 15/09/2021, verification received from employer of a 68% decline in revenue. Total number of employees held with IRD is 543. From the note on 8/04/2020, the hospital was to get back to us based on what was finalised on the 'Capability Funding Agreement' if there was a need to refund the wage subsidy. Question was asked on that and the reply was that the final amount received from this agreement was the adjusted amount for the receipt of the wage subsidy i.e. a top-up. If need further discussion on this then contact s9(2)(a) (the actuary who completed the submission for the funding agreement) on s9(2)(a) Approving application as criteria met	s9(2)(a)	03:06 PM 07/09/2021
