### **Official Information Act request**

Thank you for your email of 8 August 2025 which follows up on our response to you, dated 6 June 2025. I have considered your request under the Official Information Act 1982 (the Act). Please find my decision on your request set out below.

- *With regard to your repose to our OIA request - there appears to be a misunderstanding - we understood that Te Huringa ō Te Ao was funding providers to provide programmes (as per our question1), and therefore question 3 pertains to all programmes provided by individual providers contracted through Te Huringa ō Te Ao, rather than just the broad general overview of Te Huringa ō Te Ao. Can you please provide information in response to question 3 pertaining to all provider-provided programmes? Please let me know if you need this question clarified further.*

The first two and a half years of the contract is flexible to enable individual providers to undertake both service development and service delivery. Within two and a half years, all providers must submit a service concept for endorsement. A service concept describes what each provider will be delivering under Te Huringa ō Te Ao.

A copy of the service concept template is publicly available on the Ministry's website, here:

All individual providers are still within the first two-and-a-half-year window. At the current time, the service concepts that the Ministry does hold are draft working documents that have been disclosed to us by individual providers.

We are withholding the draft service concepts under section 9(2)(ba)(ii) of the Act as they are subject to an obligation of confidence, and if released, would otherwise damage the public interest. The greater public interest is in ensuring that such information can continue to be supplied.

As the second tranche of procurement is now complete, we are providing you with a list of all providers contracted for Te Huringa ō Te Ao as an **Appendix**.

I will be publishing this decision letter, with your personal details deleted, on the Ministry's website in due course.

If you wish to discuss this response with us, please feel free to contact [OIA\\_Requests@msd.govt.nz](mailto:OIA_Requests@msd.govt.nz).

If you are not satisfied with my decision on your request, you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or 0800 802 602.
