### **Official Information Act request**

Thank you for your email of 16 January 2026, requesting a list of current providers of vocational and non-residential services to people with an intellectual disability.

I have considered your request under the Official Information Act 1982 (the Act). Please find my decision on your request set out below.

Service type has been interpreted as service subcategory, as Disability Support Services (DSS) are defined by categories then subcategories.

Location has been interpreted as the District Health Board region(s) that a provider is currently active within. The contracts that we have with our providers do not explicitly set location for delivery and providers may operate in multiple areas.

The information provided is as at 31 December 2025. This is accurate to the most recent data refresh that is available to DSS.

The Ministry does not fund any contracts for vocational services for people with an intellectual disability.

The Ministry does fund contracts for other non-residential services for people with an intellectual disability. Please refer to the attached **Appendix** which provides the following tables:

- **Table One:** A list of current providers of non-residential services for people with an intellectual disability, by the District Health Board area(s) where they support at least one person with an intellectual disability.
- **Table Two:** A list of current providers of non-residential services for people with an intellectual disability, by the service type(s) that they provide.

I will be publishing this decision letter, with your personal details deleted, on the Ministry's website in due course.

If you wish to discuss this response with us, please feel free to contact [OIA\\_Requests@msd.govt.nz](mailto:OIA_Requests@msd.govt.nz).

If you are not satisfied with my decision on your request, you have the right to seek an investigation and review by the Ombudsman. Information about how to make a complaint is available at [www.ombudsman.parliament.nz](http://www.ombudsman.parliament.nz) or 0800 802 602.
